November 10, 2005

NOTICE OF ADDENDUM 3

This amends the Colorado State Office, Competitive Oil and Gas Lease Sale Notice dated September 26, 2005 with the Lease Sale Auction to be held on November 10, 2005.

The following parcel changes are as follows:

Parcel COC69067: This parcel has been deleted from the sale. The prior lease, COC58668 was terminated in error, as it was found to be in good standing. COC58668 is now an authorized lease.

Parcel COC69123: The following lands were inadvertently described incorrectly in the Sale Notice dated September 26, 2005, and the correct legal description reads as follows:

T. 0460N., R 0180W., NMPM
Sec. 3: Lot 1-4;
Sec. 3: S2NE;

The correct acreage is now 240.240 acres.

Exhibit GJ-LN-15 has been added to the following parcels (the Exhibit is attached). This exhibit covers all of the lands in each of these parcels:

COC69072
COC69075
COC69076
COC69077
COC69078
COC69079
COC69080
COC69084
COC69086

The total number of parcels in this sale is now 73 with the new total acreage being **72.868.178** acres.

/s/Beverly A. Derringer

Lease Number: <LEASE_NUMBER>

LEASE NOTICE

The lessee is hereby notified that this lease contains habitat for *Sclerocactus glaucus*, the Uinta Basin Hookless Cactus. Prior to undertaking any activity on the lease, including surveying and staking of well locations, the lessee may be required to perform botanical inventories on the lease. Special design and construction measures may also be required in order to minimize impacts to Uinta Basin Hookless Cactus habitat from drilling and producing operations.

On the lands described below:

<LEGAL_DESCRIPTIONS>

Changes to this stipulation will be made in accordance with the land use plan and/or the regulatory provisions for such changes. (For guidance on the use of this stipulation, see BLM Manual 1624 and 3101 or FS Manual 1950 and 2820.)

Exception Criteria:

An exception may be granted depending on current usage of the site or on the geographical relationship to topographic barriers and vegetation screening.
